WHAT COACHES ARE SAYING ABOUT

NATIONAL OFFENSIVE / DEFENSIVE TEAM FOOTBALL CAMPS

"There is no question that one of the main reasons for the success of the Escalon Cougars is our annual participation in the National Football Camp. The individual and team offensive and defensive instruction by an excellent group of college coaches puts us miles ahead of our opponents as we enter the season."

Mark Louriero, Head Coach
Escalon HS (Escalon, CA)

"The National Offensive Football Camp is the finest camp of its kind that our players have ever attended in my 34 years of high school coaching. Individual technique work, small group drills, team repetition, and staff clinics, all in a controlled setting, make for an excellent learning situation that has tremendous carry-over value for both players and coaches."

Don Smolyn, Head Coach
Lenape Valley Regional HS (Stanhope, NJ)

"We have attended the National Football Camp every year since 1996. The camp has lots to offer to all those who attend. Every year our players and coaches learn techniques and fundamentals from a diverse and knowledgeable group of coaches who provide a very professional and positive learning atmosphere. The coaches provide a tremendous level of expertise on both sides of the ball. The personal attention provided develops individual players, as well as the team as a whole."

Steve Denman, Head Coach
Tehachapi HS (Tehachapi, CA)

"I know that our participation in the National Football Camp has played a big part in the success of the St. Joseph HS Wildcats. The camp provides our players with the opportunity to be taught by some of the best coaches in the country. Their expertise and skill, combined with competition and hard work make for a perfect environment to fine tune our program. We have found this camp to be beneficial at all levels of our program, from freshman thru senior year. I would strongly recommend this camp to any coach who wants to improve his team's proficiency, skill and performance."

Paul Sacco, Head Coach
St. Joseph HS (Hammonton, NJ)
