WHAT COACHES ARE SAYING ABOUT NATIONAL OFFENSIVE FOOTBALL CAMPS

"There is no question that one of the main reasons for the success of the Escalon Cougars is our annual participation in the National Offensive Football Camp. The individual and team instruction by an excellent group of college coaches puts us miles ahead of our opponents as we enter the season."

*Mark Louriero, Head Coach,
Escalon High School (Escalon, CA)*

"The National Offensive Football Camp is the finest camp of its kind that our players have ever attended in my 34 years of high school coaching. Individual technique work, small group drills, team repetition, and staff clinics, all in a controlled setting, make for an excellent learning situation that has tremendous carry-over value for both players and coaches."

*Don Smolyn, Head Coach,
Lenape Valley Regional HS (Stanhope, NJ)*

"I know my team's attendance at the National Offensive Football Camp was a major factor in our success this year. The camp was also a tremendous benefit for our coaches, giving them the opportunity to observe a staff of experts as they worked with individual players at each position."

*Bill Pendleton, Head Coach
Esperanza HS (Anahem, CA)*

"Our team and staff has been involved in numerous camps over the past 15 years. We have found the National Offensive Football Camp to be by far our most beneficial experience. There is a great emphasis placed on the intensity level during practice sessions, and the value of leadership, teamwork, and the need to create a positive chemistry amongst our team. Our staff feels this camp is an essential ingredient for our success and attendance will become an annual tradition for our program."

*Bill Walsh, Head Coach
Holy Spirit HS (Absecon, NJ)*

"I have found the coaching staff of the National Offensive Football Camp to be exceptional in their ability to communicate their expertise and motivate young athletes. Daily coaching clinics have helped our staff to be on the cutting edge with regards to our offensive approach to the game. I feel strongly that this football camp is the best one of its kind in the country and will improve any team's productivity in the first year of camp attendance. Since going to the camp for the past 10 years, the Sutter Union Huskies have had six undefeated regular seasons and three 12-0 seasons."

*Scott Turner, Head Coach
Sutter Union HS (Sutter, CA)*

"I know that our participation in the National Offensive Football Camp has played a big part in the success of the St. Joseph HS Wildcats. The camp provides our players with the opportunity to be taught by some of the best coaches in the country. Their expertise and skill, combined with competition and hard work make for a perfect environment to fine tune our program. We have found this camp to be beneficial at all levels of our program, from freshman thru senior year. I would strongly recommend this camp to any coach who wants to improve his team's proficiency, skill and performance."

*Paul Sacco, Head Coach
St. Joseph HS (Hammonton, NJ)*
